Jack Nunn UC867 aka The “P” Course – 15 May 19

What a difference a week makes – sunshine, no wind and a record number of riders for this year. It felt like an almost perfect evening except for the ongoing roadworks which meant that we had to use the P Course. Describing the P Course to riders with its “left at the right before the motorway bridge” always makes me think of the nonsense ryhm:

One fine day, in the middle of night
Two dead men, got up to fight
Back to back, they faced each other
Drew their swords and shot each other

As rider confusion till they see the map reigns supreme and I believe one rider did manage to go up onto the motorway bridge despite this. Thanks as always to the officials, Sue as finish timekeeper, Paul Freegard on start, Tony Weare pushing off and Mike Edwards, Fiona and Maddy marshalling.

Congratulations to Phillipa on her first 10 mile time trial and a Personal Best. It would appear that Robbie and Jamie thought it was a 2 up this week, rather than last tying for times and Simon’s cycling holiday seems to have paid off. Also nice to Andy making his first time trial of the year as a competitor rather than helper.

Lottery 2 Up – 8 May 2019

On a very wet evening a few hardy souls arrived for the lottery 2-Up. Officials go the distinct impression that partners in pairings were hoping that their partner would be a no show. Failing that some thought the Racing Secretary might call it off, no such luck though. Yes, rain was falling and the course was wet but perfectly ridable. Fiona turned up in Maddy's old hivis rain jacket, while Maddy was in a sweat top but she declined offers of a top. As there were only 3 teams Sue did start and finish timing. The handicapping was quite close with Lauren riding her socks off, even if her face showed that she probably hung on to Ian's wheel. Winners of the Handicap Trophy were Lauren Booth and Ian Potts, with the Handicap Medal for fastest team going to Mike Gibbons and Andy Summers.

Sporting 10 UC865 – 10 April 2019

What a difference a week makes, sunny, warmish (14C) and helpers who had used https://signupschedule.com/chippenhamwheelers so let us hope that this continues. Our thanks to Paul Freegard, Martin Priestley (pushing off and meant to be last man off till Robbie turned up a bit out of breath and got added to the running order), Fiona and Maddy Waind, Mike Edwards, Rachael Still and Sue Crane for their assistance. The Sporting 10 course is quite challenging as over 10 miles it provides 400ft+ of climbing in 4 bumps and only 2 of those bumps provide any pay back on descent. The railway bridge descent after Rodbourne can give a 42 mph reward but of course the climb can wind you back to 8 mph. According to MyWindsock we had a headwind averaging 4.6 m/s for 40% of the course (which was on the out to Little Somerford) – must admit it didn't feel that much.

Jack Nunn UC861 – 3 April 2019

On a cold evening which was a bit of a shock after days of warm weather 10 hard souls turned out for the first club evening 10 mile time trial of the year. Using https://signupschedule.com/chippenhamwheelers to administer pusher off, marshals and other roles seems to work well. So if you can help out at a time trial please head to the link and sign up. Our thanks to Simon Kay, Paul Freegard, Fiona and Maddy Waind, Mike Edwards for their assistance. Your Racing Secretary scared Sue Edwards by showing how little attention he pays to what is going on at the start line when focussing on the word "Go" as he nearly failed to synchronise watches and found counting difficult. Perhaps I might not be a good candidate for time keeper training. Since it was such a cold evening the times were somewhat slower with riders 30 or more seconds down on last year's first race of the season.

Kilo and Half Kilo – 1 January 2019

On a cool but remarkably dry and light winds day for Castle Combe a select few gathered to compete in the first event of the New Year. It was great to see so many supporters turn out to watch and it would have been great if a few more riders had braved the "morning after feeling" for the last running of the New Year's morning Kilo.

As they say you have to be in it to win it and this was Alex Wareham's chance to prove that adage as he set off on his Wiggo bike and won the children's Half Kilo. He beat his 2018 time by 20.9 seconds, so well done to him. In the main field Simon Kay was present to defend his title supported by the 360 Degree Camera man (Seb

Pecchia) and his erstwhile drinking companions from the night before. Rob Gough rode but Jamie Currie decided holding post race cocktails for Simon was all he could manage.

Paul Freegard avoided riding by acting as holder up, while Andy Cook was our starter for the day. It was great and a bit emotional to see Sue Andrews and Mike Edwards time keeping the finish, which we are sure is exactly what Sheila would have wanted to happen.

The results are below with Simon Kay taking the honours again and Lauren Booth being first lady, although Kimberley Andrews was first Wheeler lady having stepped into the adult section this year.

Thank you to everyone who took the trouble to be there and a date for the running of the Kilo later in the year will follow as we move from New Year's day to a late summer date. Although the change in date is unlikely to change the winner – or is it? He was after all 0.7 seconds slower this year than in 2018.
