25-Sep	U44	10	1000	Team Swindon Cycles

Remember you need one ride from each distance, conveniently colour coded above, to get a counting score. Events in CTT Handbook which are nominated as WTTA Hardriders only count to Championship if also shown here as WTTA Hardriders, otherwise they count as the distance shown here.

COVID-19 has restricted the number of WTTA Hardrider events and 25 Mile Courses. As some 25 mile courses are also designated as WTTA Hardriders it has been necessary to nominate the U86/100 as one of the Hardrider series within the club series. If Bath CC do decide to run their Hardrider event or their 25 mile event it may be possible to alter these event/dates. One month's notice will be given of any change.

The events are spread across the calendar this year to keep the competition going right till the end of the season.
