3. Event retrospective

a. Good number of riders for the Open 25 (whenever it was).

Anecdotally, some members have done the routes at the weekends or when the time suited. 20 riders did the Fish n' Chips ride to WSM on 29th June. 63 riders participated in at least one club Audax ride in 2024. Thanks to SJ for all the hard work that goes into this series.
c. Social ride to meet the TT was cancelled due to bad weather.

4. Future event programme

a. Next Open event is the Hilly and 10 in September.
b. July / August programme agreed and published. Discussion after the success of the New Forest gravel ride (website article to be written). Appetite for more "trips" and a suggestion of a ride to/in Northern France with panniers or supported. A sub-group can be formed to report back to committee with ideas.
c. BBQ Bank Holiday August. £10 for Adults, free for children under 16. Family ride beforehand. SS to plan some options.

5. Strategic matters

a. See above.
b. Reasonable attendance at the first Go Ride activity. Gordon led with support from James and Rich. Next scheduled for 20th June. Still need to spend the BC money.
c. Website updates progressing and now live at the time of writing minutes. One outstanding minor defect to be addressed.
d. Not available.

7. AOB

a. Chippenham Sports Club subs now due.
b. Club bikes spreadsheet located and formatted. Updated to show the location of Bianchi (with secretary). Asked JE for photo and serial number of the track bike he has..
