## 3.0 RETIRING CHAIRMAN'S / TREASURERS REPORT/TIME TRIAL REPORT

### 3.1

Andy Cook advised that the whole scene had been massively affected by the pandemic, cycle racing has been decimated apart from Time Trialling. Thanked Paul Winchcombe for everything he had done to keep it going similarly the Leisure ride group for everything they had done. Sheni, Steve, Dylan and Rob Chippenham Wheelers had kept up their position within the sport and making sure when we were allowed to keep Club activities going. Along with Martin Priestly and Simon Bateman who kept a lot of the coaching going particularly for the youngsters. They had just started a course at Corsham School as the pandemic hit, but managed to keep things going virtually. Despite all the restrictions the club had managed to function in a responsible and safe manner. BC will be sending out details of what will be allowed tomorrow once the Tier System is announced.

### 3.2

Due to technical issues Jerry Tyzack was not able to join the meeting  
Are we all happy to contact Jerry to get report to be submitted to the club. Prop from SK - when we come out of Lockdown to hold an EGM to present accounts Prop: S Kay 2nd: P Winchcombe

### 3.3

Did well to get the Club Type B Events running, Had 31 different riders for 114 rides - meaningless comparison to previous years, but it was well attended, we proved that we can't extend the season into September as it's dark too early - we tried. We ran 3 open events in the end, Hardriders, Hill Climb and the Open 10 and they all went well despite the weather on the open 10 - Lauren Booth won the Jack Nunn on points for the year, no one has won a sweep. Full list of winners to be included in the report.
